Children's Parties

Throw your child their perfect party in one of our fabulous venues.

We've been entertaining kids and families at our parks for over 25 years now, so you can rely on us to know exactly what makes children have the utmost fun at parties whilst providing you with a stress-free experience at the same time.

Let's have some fun...

Our simple aim is to give all the kids the time of their lives and to make the birthday boy or girl feel that extra bit special. All you will have to think about as you kick back, relax and join in the fun is just how many happy memories are being created.

Let us do all the hard work...

We understand that every party has different requirements so let us help with all the organising before we hand you over to our experienced Entertainments Team to make your special day the best one yet. Our friendly team will serve all the food and drinks and run the entertainment, ensuring that you are free to enjoy the party as much as your kids and their pals. And, of course, once the party is over all the tidying up is left to us.
