

FOREST LODGES

Available at
• Shorefield Country Park

Our exclusive Forest Lodges provide luxury in a classic woodland style. They blend perfectly with the quiet parkland setting and inside it's a real home from home. Built from pressure treated Scandinavian redwood on a laminated timber frame, the lodge comes fully fitted with a luxurious fitted kitchen with integrated appliances. There is an attractive full sized dining area, a superb lounge, full length panoramic patio doors opening onto a sun deck and a generous master bedroom with en-suite facilities.

All our Forest Lodges are fully winterised to include gas central heating and double glazed windows and doors. A stylish furniture package is included.
