Swanage Coastal Park is unashamedly designed to offer peace and quiet so that you can really relax and unwind from the pressures of daily life. You won't find a leisure club, tennis courts or a swimming pool. What you will find is a real back to nature atmosphere where the pace of life is noticeably slower. Simply relax and enjoy the fantastic views over Swanage Bay and the Purbeck Hills – It's truly spectacular!

Just under a mile away are the shops in Swanage with its lovely sandy beach. And if you would like to enjoy some first class facilities, the neighbouring holiday park offers day memberships to its Health & Fitness Club, including pool, bar, gym, sauna, solarium, shop and launderette.
